

Are you ready for Beast Academy 1A?

Before beginning Beast Academy 1A, students should be able to count and write numbers to at least 20, preferably to 100.

Beginner readers may need lots of help using Beast Academy 1A.

A student ready for Beast Academy 1A should be able to answer at least 12 of the 16 problems below correctly.

Step 1. The student should try to answer every question with reading help from a parent if needed.

Step 2. Check the student's answers using the solutions at the end of this document.

Step 3. The student should be given a second chance on problems 5-16 if answered incorrectly.

Circle the box that has more dots.

1.

or

2.

or

3.

or

4.

or

Write the number of dots in each group below.

5.

6.

7.

Are you ready for Beast Academy 1A?

Starting with the smallest number, draw straight lines to connect the numbered dots in order.

8.

9.

Fill in the missing numbers in each number pattern below.

10.

7	8	9		11		13		15		17	18
---	---	---	--	----	--	----	--	----	--	----	----

11.

20	19	18				14				10	
----	----	----	--	--	--	----	--	--	--	----	--

12.

			8	9	10				14	15	16
--	--	--	---	---	----	--	--	--	----	----	----

Fill each blank with a number to complete the statement.
